

Deluxe Baby Cast Price List

We know how important it is to capture those precious first moments of your babies life. We offer standard plaster baby 3D hand & foot casts from £50.00, however we also offer a deluxe range for those wanting to preserve their casts in a truly unique way.

Miniature 3D Cast Silver Jewellery

We use the most advanced technology to perfectly miniaturise our life casts. The jewellery is made by scanning a 3D image of your cast, which is then shrunk down to enable us to create these beautiful jewellery keepsakes.

We can reuse the original cast to create as many jewellery pieces as you wish.

The original cast will also be yours to keep!
